

And now I'm going to tell you who you are, really are. You are Peter, a rock. This is the rock on which I will put together my church, a church so expansive with energy that not even the gates of hell will be able to keep it out. *the message*

multiplying churches. multiplying impact.

// THE QUESTION

The reality is that if every evangelical church in America were filled to capacity each and every Sunday, it would still only provide enough seats to accommodate a small percentage of our overall population. So the obvious question is, 'what about the rest of them?'

// THE ANSWER

Even now, God is raising up thousands of leaders across the nation, calling them to plant new churches in every community. In schools and malls...in theaters and hotels...even in night clubs and living rooms...new works are coming to life to change lives, to offer hope and to say 'there is a place for you!'

// THE DREAM

Experiencing the numerous challenges of church planting firsthand, Todd McMichen had a dream of one day starting a non-profit organization that would serve as a resource and networking center for church plants across the United States. Years later God opened the door for Todd and ministry and business partner Mark Clement to begin the Developing Churches Network.

IT HAS BEEN A JOY TO BE A PART OF A CHURCH FAMILY THAT NOT ONLY ENCOURAGES SPIRITUAL GROWTH, BUT ALSO MAKES A SIGNIFICANT IMPACT ON THE COMMUNITY BY PROMOTING AND ASSISTING IN THE SEEDING OF NEW CHURCHES THROUGHOUT THE COUNTRY. GOD HAS BLESSED US WITH A CLEAR AND DEFINED PURPOSE THAT USES OUR GIFTS IN THE SUPPORT OF A NOBLE CAUSE. **DAVID HUGHES THE PEOPLE'S CHURCH AT OAK MOUNTAIN AND DCN MEMBER**

// THE MISSION

The Developing Churches Network exists to provide very real and tangible support to church plants of all sizes, shapes, and styles. This support takes on many forms including financial, on-site training, networking and regional conferences. Church planting will always be an enormous task. Our goal is to help make it just a little easier, to let planters know they are not alone and to provide them with the tools they need to make their efforts successful.

// THE NETWORK

The DCN is a combination of corporate, church and private donors who have pooled their resources together for the greater Kingdom cause. In contrast to what one of us alone could do, imagine the impact of hundreds, even thousands of gifts combined together and focused on the areas of greatest need.

IT'S GREAT TO SEE NEW CHURCHES STARTING EVERYWHERE. HELPING NEW CHURCHES IS WORTH THE EFFORT. WHEN YOU CONSIDER THE MULTIPLICATION FACTOR, THE INVESTMENT MADE IN HELPING A NEW CHURCH GET STARTED PRODUCES KINGDOM RESULTS FOR YEARS. WHO CAN COUNT THE IMPACT ONE CHURCH HAS ON PEOPLE'S LIVES.....FOREVER. **RANDY HALL STUDENT LIFE AND DCN MEMBER**
